

VICTORIA PRIMARY NEWSLETTER

Dear parents,

www.victoriapprimary.co.uk

NEWSLETTER REQUEST

We intend to try and save some paper by publishing our newsletters on the school website, usually every two weeks but we would ask parents to check each weekend to see if there are any notices. We appreciate that not everyone has access to the internet so we are asking anyone who still wants a paper copy to return the attached slip to the school office.

We are running this message again to all parents in case anyone missed the last newsletter.

If you have already sent back a slip then your name will be have been added to our data base.

National Assembly Breakfast Club Initiative

I am looking at the possibility of setting up a free breakfast club as funded by the national Assembly breakfast club initiative. I am hoping to trial it in the summer term. There is quite a lot of information so I will put it all on the website to save distributing reams of paper. If you do not have access to the website but need more information, please call at the school office for a paper copy. Extended return date is Monday February 18th.

Foundation Phase Wellingtons

We hope to take pupils out regardless of the weather. The PTA will fund the purchase of 6 waterproof jackets and 6 waterproof trousers for each infant class but would like to ask parents to send in a pair of Wellingtons for each child. Please mark them clearly with the child's name. If anyone has Wellingtons that their children have outgrown, then they too could be useful to us. Please send them to any infant class.

French Club

I am happy to say that Mrs. Danielle Trow is fully recovered and will be happy to run our French club after half term. Children who have already paid are in credit, others will owe £5.00 for the next half term and this can be paid to the school office.

Infant daffodil project - "Pots of Care."

Could all daffodils be returned to school by Monday February 25th so that the pots can be decorated? Please also send in your donations for Marie Curie Cancer care.
