

Dear parents,

This morning your children have visited their new classroom and met their new teacher for next year.

Where classes have gelled well we have not made any changes and allowed the class to move up as a whole group. In some instances we have moved a small group to balance classes and in year 5 we have completely remixed the children in preparation for year 6. Class organisation for next year is listed below for your information.

**Wednesday July 16<sup>th</sup>** Last day for the children, school ends at usual time of 3.30.p.m. Children need not wear uniform and may bring in games to share with friends.

Staff will continue to work until Tuesday July 22<sup>nd</sup> preparing for the curriculum changes that have to be implemented in September. May I take this opportunity to thank all the teachers and support staff who have worked extremely hard throughout the year. They are a very dedicated, professional and talented team.

**School books**, it is our intention to allow pupils to bring home any finished books at the end of the school year. However, it is likely that the school will be inspected in the summer of 2009 and therefore we need to keep all the books this year as evidence of work completed and the progress that pupils have made.

**Building Work**

This is going to be another busy holiday at Victoria. The LEA is extending three junior classrooms for us. They will be knocking an archway through the wall into existing cloakroom areas to create additional working and storage space.

The LEA is also replacing the remaining wooden framed windows with new UPVC and re-rendering the high back wall of the playground.

The school is continuing its cycle of interior redecoration.

Redecorate 4 infant classrooms, 4 junior classrooms and the infant hall.

The junior hall will be redecorated in the autumn half term.

I would like to thank all the PTA committee who have worked so well throughout the year raising much needed funds. Also, thanks to the governors for their support and all of you who continue to support the school and respond so positively to the initiatives that the school has introduced to meet the challenges of educational change.

I hope you all enjoy the summer break with your children and I look forward to seeing you all in September.
