Parent helpers

We would all like to thank the parents who have helped out in school this term. You give freely of your time; your help is a huge bonus for staff and pupils. We are all very grateful; please continue to support us in this way.

Nursery outside classroom.

During the Easter holidays, Mr. Taylor will be building an outside classroom (covered pergola) to the front of the nursery. He will be starting on Friday 21st March and hopes to work throughout the weekend and into the holidays.

He will need to dig 14 holes for the posts which is the main construction work. If anyone can spare a few hours to help at any time during the holidays please see Mr. Taylor or pop in when available. Please bring your own digging tools.
