

VICTORIA PRIMARY SCHOOL SELF –EVALUATION
Questionnaire for Parents Summer 2008

Dear parents,

As part of the whole school self-evaluation process I would be very interested to have your views on how the school is progressing. Please complete the questionnaire and return before the end of term. I would like to read them and collate all information during the school holidays. I will then feedback the results with any appropriate action and comments in the autumn term. Thank you for your continues support.
