

VICTORIA PRIMARY SCHOOL ANNUAL GOVERNORS' REPORT

Dear Parents,

Please note that the Annual Governors' report to parents for the past school year 2008 – 2009 is attached for you to read.

The annual meeting to take any questions or queries regarding this report will take place at 6.30pm on Wednesday November 18th in the Upper Hall.

Following this short question and answer session will be a Presentation about our Personal and Social Education programme SEAL.

SEAL stands for social and emotional aspects of learning.

This is a whole school approach to nurturing and developing well rounded children who have secure and effective social skills, high self esteem and strong emotional well being.

We have already noticed a positive affect across the school since introducing the Seal programme last year. Families can help their children by supporting activities at home. This is your opportunity to find out more about it.

There will be a short presentation, and then staff will take questions and answers followed by informal discussions.

We do not expect the whole event to last more than an hour.

We will offer free crèche facilities for families unable to make their own child minding arrangements. Please notify the school by e-mail or see the secretarial staff if you wish to make use of the crèche by Friday 13th of November.

T.Taylor
