VICTORIA PRIMARY SCHOOL

Dear Parents,

Out of School Clubs

As you know, Victoria Primary School prides itself in having an excellent range of After School Clubs available for the pupils.

Please find attached a list of the clubs available for the Autumn Term and all the information, which you would require.

All pupils participating in sports clubs must have the appropriate change of clothes and footwear.

When the club is after school it is up to the parents to make arrangements for the child to get home when the club is finished.

Making a club available for the children is a commitment for all parties, therefore, we expect the children to attend regularly and for the whole time that the club is being run. The teacher running the club will let the children know the number of weeks the club will be taking place; this depends on the response for the club, but they are all for a minimum of 5 weeks.

If there is a large response for a club, it will be necessary to split the club into groups, so that all children can have a chance to take part. Different clubs will be available for different age groups throughout the year.

Staff will endeavour to run the club each week. If a club has to be cancelled we will send home a note/text and also tell the children in good time.

Please discuss involvement with your child(ren) and complete the reply slip below before returning it to the class teacher. Please complete different slips for different clubs.

Children should be collected from either the main doors of the Infant building or the side doors of the Junior building depending on the location of the club.

Yours sincerely,
Mrs David,
