

**VICTORIA PRIMARY SCHOOL  
NEWSLETTER**

Dear Parents,

**E- safety Parent Talk and Presentation**

Tuesday January 19<sup>th</sup> Infant Hall 6.30 – 8.00

P.C Emma Mudie our police liaison officer will give a presentation on the dangers facing children using the internet and information on ways to protect your children. This could prove very useful for parents of children wanting to use social networking sites.

The presentation is only suitable for adults so staff will run a crèche in the reception classrooms for any children that need supervision.

Please return the slip below if you are interested stating crèche needs.

**Parking outside school gates.**

Please do not park on the zebra crossing or zig-zag lines at any time of day.

Could you please refrain from blocking the vehicle entrance when dropping off or collecting children.

Last week a member of staff was delayed because parents collecting children from karate had blocked the entrance.

Please note this is emergency vehicle access and should not be blocked at any time.

**Message of thanks from Mrs. Reagan our Lollipop Lady.**

“ Thank you so very much to everyone who gave me presents, cards and good wishes this Christmas. Your kindness and generosity overwhelms me and I’m so grateful to you all. I hope you all had a lovely Christmas and I wish everyone a very Happy, Healthy and Prosperous New Year. “

May I also thank you all on behalf of the staff and myself for your very generous gifts and good wishes. You certainly know how to spoil us.

**Weather warnings!**

Thank you for your patience and support during this prolonged cold spell.

We will always endeavour to stay open but sometimes closure is the safest alternative.

Please check the school website from 7.00am or check the Vale website which gives updates on all Vale schools, if all else fails Mr. Taylor and I will be here to answer calls from those unable to access the information.

Hopefully Monday will be back to normal but it’s still only mid January!

---

I / we will be attending the e-safety talk on Tuesday January 19<sup>th</sup> at 6.30pm in the Infant Hall.

We would like crèche facilities for our child / children.

Children’s Names-----

Signed-----
