### **Friday 16<sup>th</sup> July**

School ends for all pupils

Former caretaker house.

The ground floor of the caretaker house will be refurbished to provide additional creative areas for nursery and reception.

Nursery admission numbers have been increased to 40 am and 40 pm to meet demand for nursery places in Penarth which is at an all time high. To accommodate our increased numbers we will be using the caretaker ground floor.

The garden will be a natural link between both nursery buildings and the reception classrooms. My thanks to the PTA parent group who are currently working on the garden, it will be very well used from September.

School Photographs

You will see from proofs sent home today that we have gone for a very modern look this year. This is a trial so we will see how it turns out. If you would like to see the real size examples they are displayed in the nursery, infant hall, lower corridor and outside notice board.
