As every opportunity will be given for outdoor and physical activity, it has been decided that in the interest of your child's health and safety, no jewellery is allowed to be worn in school with the exception of watches.

Since we intend utilising the playground as much as possible for P.E. lessons, the children will require two kits; one for indoor use (black shorts, white t-shirt) and one for outdoor use (track suit trousers and sweat shirt/ jogging suit, t-shirt, trainers, small towel and waterproof jacket). If the weather is wet, the children will still be taken outside for their outdoor P.E. lesson, so this change of clothing is essential. Teachers will use their discretion when deciding if the weather is too bad to take the children out.

Please would you ensure that any money (dinners, trips etc.) comes to school in a sealed envelope with your child's name and class on the outside.

Thank you for sending your child in school uniform and for your continued support, we look forward to a happy and successful term.
