## Class Information Sheet - Juniors

Spring Term 2012

Our teacher's name is: Mrs. Davison - Class 8  
Our classroom is found: Lower Junior Corridor.

These are the days to remember during the week:

Homework will be given every Friday and returned on a Wednesday to be discussed in class; each week in turn a piece of numeracy or literacy through any curriculum subject will be set. In addition 'talk homework' will be given out on Thursday to help with the Friday's writing activity. Occasionally, mini projects may be set in addition to or in place of literacy or numeracy.

Spelling Test and new words will be given on a Friday.

Peripatetic music lessons are to be confirmed and an additional letter will be sent out regarding the day of tuition.

PE- Monday and Thursday, but please have kit in school all week\*.

Home Reading Books- These will be sent home on the day marked in your child's reading record. Please return to school to be changed on the same day the following week or as soon as possible after.

These are important days to remember during the term:

Big Maths parent's information/awareness evening: Tuesday 17th January

World of work week: Week beginning 30th January

Open hour 3:30-4:30: Wednesday 8th February

Half Term: Week beginning 13th February

Parent's evenings: Wednesday 21st and Thursday 22nd March

End of term: Thursday 5th April

As every opportunity will be given for outdoor and physical activity, it has been decided that in the interest of your child's health and safety, no jewellery is allowed to be worn in school with the exception of watches.

\*Since we intend utilising the playground as much as possible for P.E. lessons, the children will require two kits; one for indoor use (shorts, t-shirt and plimsolls) and one for outdoor use (track suit trousers and sweat shirt/ jogging suit, t-shirt, plimsolls, small towel and waterproof jacket). If the weather is wet, the children will still be taken outside for their outdoor P.E. lesson, so this change of clothing is essential. Teachers will use their discretion when deciding if the weather is too bad to take the children out.

Please would you ensure that any money (dinners, trips etc. ) comes to school in a sealed envelope with your child's name and class on the outside.

Thank you for sending your child in school uniform and for your continued support, we look forward to a happy and successful term.
