Parent Governor Elections

The governing body would like to thank the three parents who stood for election. It is gratifying to find parents who are eager to support their school and serve as parent governors.

It was very close but Mr. Michael Holman has been elected as our new parent governor.

Fund Raising for the National Eisteddfod.

All schools have been asked to raise some funds towards the staging of the National Eisteddfod in the Vale of Glamorgan next year.

Friday October 21st will be a non-uniform day for the children who may make a contribution to the Eisteddfod fund.

The children may wear red to show support for the National Rugby team who will be playing their last match against Australia.

We will be showing the match on ITV player for any pupils who wish to see the game live from New Zealand.

Reading evening

My thanks to Miss Penn and Mrs. Jones who delivered the presentation and to the staff who volunteered to run the crèche for parents.

It was a very successful evening with around 80 parents attending who are now better informed of how to help their child with their reading.

Extra-curricular clubs

To save confusion **all extra-curricular clubs will finish by 4.30 so that pupils can be collected on the yard at 4.30pm, this applies to All after school clubs after half term.**

Value of the month for November is TOLERANCE
