## Maths Challenge 3 yr3/4

solution

Mr. Muddle had decided to invite some friends to a bonfire party so he walked to the shops to get some food. He looked at the price list.

Bread rolls	10p each	Sausages	£1.99 per pack of 10
Crisps	£0.99 per family pack	Salad	£2 per pack
Burgers	£2.99 for 5	Toffee apples	25p each
Baking potatoes	2 for 40p		

“Now there will be 10 people at the party and each one will want a sausage, burger, roll, potato and toffee apple,” thought Mr. Muddle. “I’ll get 2 packs of crisps and a pack of salad to share. I wonder if I’ve got enough money to pay. I’ve only got £20 pounds left.

1. Can Mr. Muddle afford to buy all the food he wants?  
**yes**
2. How much would it cost him? **£17.45**
3. With how much money did Mr. Muddle leave the shop? **£2.55**
